### **BLOOM WHERE YOU ARE PLANTED**

I read that Abraham Lincoln had a rather lazy, ne'er-do-well brother, who was always talking about going West to work. Showing his great wisdom, Lincoln told him, "If you are going to being work, you don't have to go West. If you are not going to work, then going West won't help you."

Don't you think this story illustrates a common problem which often keeps us from reaching our fullest potential as servants of Jesus Christ? We wish for a different set of circumstances, or for different tasks with which to serve. We think success is always just around the corner, never right under our feet. We search for the pot of gold at the end of the rainbow, only to find it has alluded us again. The result is that we never settle down and serve God with what we have where we are.

To impress Esther with her responsibility, Mordecai said to her, ". . . **Yet who knows whether you have come to the kingdom for such a time as this?**" (Esther 4:14). Esther was in the right place at the right time—according to God's plan—and she was expected to act decisively. And, she did. Her actions saved her people from being destroyed at the hands of a wicked man.

I've seen the slogan "**Bloom Where You Are Planted**" a number of times, and it has impressed me with a great and obvious truth. We cannot always pick our spot to be planted, but the soil is rich enough almost everywhere, and the rain falls and the sun shines all over the world. Instead of living with that far-away-look in our eyes, let's bloom to God's glory where we are!
