"I was glad when they said to me, 'Let us go into the house of the Lord'" (Psalm 122:1).

TIME

Time is precious. It is the stuff of which life is made.

The Bible has a great deal to say about time. In the Old Testament, Job said, “**My days are swifter than a weaver’s shuttle . . .**” (Job. 7:6). That’s pretty vivid to those of us who have seen a weaver work at a loom.

In the New Testament, James wrote, “. . . **For what is your life? It is even a vapor that appears for a little time and then vanishes away**” (James 4:14). Again, we are impressed with the briefness of our time on earth.

Is it any wonder that Paul would admonish us to make the best possible use of our time? “**See then that you walk circumspectly, not as fools not as wise, redeeming the time, because the days are evil**” (Ephesians 5:15-16).

From a recent bulletin I found the following list of things we need to make sure we take time to do.

Take time to think; it is source of power.

Take time to read; it is the foundation of wisdom.

Take time to play; it is the secret of staying young.

Take time to be quiet; it is the opportunity to seek God.

Take time to be aware; is the opportunity to help others.

Take time to love and be loved; It is God's greatest gift.

Take time to laugh; it is the music of the soul.

Take time to be friendly; it is the road to happiness.

Take time to dream; it is what the future is made of.

Take time to pray; it is the greatest power on earth.

COMING UP

- **Couples' Group, January 24**, at Tom & Sierra's at 7:00 p.m.
- **Youth Activity, January 26**. Meet at the building at 4:00 p.m. for the trip to the West End congregation.

THANK YOU—A hearty “Thank You” to all who helped make our Teachers’ Workshop the wonderful success it was. We had good representation from the congregation here, as well as several from area congregations. We trust this special activity will help us have an even stronger teaching program at Seymour. . . . Also, I want to thank **Rusty Curtis** for filling in for me at the last minute last Wednesday evening. There must be a kidney stone epidemic going around. At least, Lesia and I think so.
