- From the standpoint of **godliness**, it teaches the Bible, which is the basis of our faith in God.
- From the standpoint of **education**, it trains your mind and heart along the lines of eternal things.
- From the **social** standpoint, it enables you to enjoy the friendship and fellowship of genuine Christians, for they will be there.
- From the standpoint of **personality**, it helps to develop the Christian character necessary to face life's problems victoriously.
- From the standpoint of **character**, it is the chief aim of church Bible classes to teach us to be examples of the believers in word and deed.
- From the standpoint of **interest**, it presents interesting programs for your delight, culture, and your spiritual growth.
- From the standpoint of **family**, it has classes for every age, and the whole family can go together and profit by it's teaching.
- From the standpoint of the **future**, it turns our eyes toward heaven and make us realize we must prepare for a life beyond the grave.
- From the **practical** standpoint, the hours spent in the different Bible classes each week could not be expended more profitably.

**If you haven't been attending regularly, why not purpose to start doing so today?**
