### **ONE VOTE**

Andrew Johnson was an uncompromising idealist who believed in a strict interpretation of the U.S. Constitution. In one speech, he said of the Constitution, "It is the last hope of human freedom." He served as both U.S. Representative and Senator, before becoming Lincoln's Vice President. Upon Lincoln's assassination on April 15, 1865, Johnson became President.

As President, Johnson had a running battle with a number of the members of Congress over the course of Reconstruction. He wanted to readmit the southern states to the union much as they were before the war, only minus slavery. When Secretary of War Edwin M. Stanton opposed his policies, Johnson removed him from office even though the Tenure of Office Act required Senate approval before the President could remove an appointee.

In 1868, the House voted to impeach the President. The trial was held in the Senate from March to May that year. The outcome was close. In fact, Johnson was acquitted by one single vote, cast by Edmund Ross of Kansas. During the rest of his term, he continued a rocky relationship with those who opposed his policies, but his presidency was saved by that one vote.

I am only one, but I am one. I cannot do everything, but I can do something. The same is true of you. And, who knows what that one "something" will mean to the future? One word of encouragement spoken to a fellow struggler. One opportunity to speak a good word for Jesus. One child taught in a Bible class. One prayer offered on another's behalf.

What difference will I/you make?

**BUILDING DEDICATION**—The schedule for our dedication services on October 12 has been set. For that Sunday only, the times of the morning services are being changed to 10 a.m. and 11 a.m. A meal will follow the morning services, and the afternoon service will begin at 2 p.m. There will be no 6 p.m. service. Please note this change. The consensus is that they will better serve the purposes on that day and allow those from other congregations time to come and visit with us.
