Heavenly Father,
When I am tired,
You give me the
strength to go on.
When discouraged,
You give me hope.
When I am afraid,
You are my peace.
Amen!

A HISTORIC DAY

September 7 is truly a historic date for the Seymour Church of Christ. **It is the date for the first Sunday service in our new facilities.**

The last few weeks have been a whirlwind. Who would have thought we would be meeting in our new church building so soon? We have been able to do this due to three things. First, our own people have given so generously and worked so hard to bring it about. Second, brethren in a number of places have generously given financially to help us. Third, and most importantly, God's providence has been manifested dramatically. Support, events, and circumstances have all fallen into place quickly and almost seamlessly. God has bought us to this place, and we must not forget that or fail to give Him the glory.

It is also the date for the appointing of elders to serve this congregation. This morning, **Rusty Curtis, Jim Husband, and John McBroom** will be appointed as the shepherds of this flock. This is even more important than moving into a new building.

It is God's plan for congregations to be scripturally organized with elders and deacons (Phil. 1:1). Before long, with the leadership of these men, we will turn our attention to the selection and appointment of deacons.

I encourage us all to love, support, and pray for these good men. We have every confidence that they will serve long and well.

What a day! What a day! **To God be the glory!**
