LET'S FOLLOW THE BOOK

The following story has made the rounds of church bulletins. Although it is a bit humorous, it makes a very serious point.

Driving in a dense fog, a motorist decided to play it safe and just follow the taillights of the car in front of him. For a full hour he drove without worry. Suddenly the taillights disappeared and he plowed into the car ahead. "Hey," he yelled, "Why didn't you put out your hand when you stopped? "Why should I?" was the calm reply. "I'm home in my own garage."

Sadly, in matters of faith, many people are like the driver mentioned in this story. They blindly follow some man. Jesus said, "if the blind lead the blind, both will fall into a ditch" (Matt. 15:14b).

We must watch who, and what, we follow. God's Word is infallible, but no man is. Men may be honest, intelligent, well educated, and even well intentioned, but they can never be infallible.

Let's be like those Bereans of Acts 17:11, who wouldn't even follow the great apostle Paul blindly. Listen! **"These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so."**

Let's follow the book.
