A lot of problems in  
the world would  
disappear if we talk  
*to each other*  
instead of  
*about each other.*

## **HONOR TO WHOM HONOR**

**L**ast Sunday morning following services, **Jim Husband** read a short note to the congregation in which he resigned as an elder. Jim's health has been in rapid decline for the past several months. This has not only taken a toll on him physically but in other ways as well. He feels that he is no longer able to do all of the things an elder is called upon to do.

Those of us who have talked to him privately about this have encouraged him to continue to serve as long as possible, and he has done that. He and Barbara are both loved and respected in this congregation. And, we regret it has come to this point.

Romans 13:7 says, "***Render therefore to all their due . . . Honor to whom honor.***" Serving as an elder is not the subject under consideration in this passage, but the principle is applicable here. Jim has served well, and we honor him for his service to the Seymour church of Christ.

The bright part in all of this is that he and Barbara will continue to work and worship with this congregation. We are sure they will be a great asset to our work going forward.

Jim and Barbara, we love and honor you.
