**What if we began to treat our Bibles
the way we treat our cell phones?**

What if we...

...carried it with us
everywhere?

...turned back to get it if
we forgot it?

...checked it for messages
throughout the day?

...used it in case of an
emergency?

...spent an hour or more using
it each day?

ATTENDANCE AGAIN

Our focus for March has been on faithfulness. In a couple of lessons this month, I have stressed that faithfulness is more than just attending the services of the church regularly. And, that is absolutely true.

Faithfulness is a very pervasive thing. It involves all of life and all of our relationships. Furthermore, faithfulness is one area of life will not make up for unfaithfulness is another area of life.

The danger of saying what I have said about faithfulness is that some might conclude that attending the services of the church is not important. That is not so. While it does not tell the whole story about one's faithfulness, it is still a marker of one's faithfulness.

Have your ever considered what regular attendance at the services of the church says? Among other things, it says:

- ✓ I want to, and I need to, worship God regularly, for He is the one who saved me through the blood of His Son.
- ✓ I enjoy being with my brothers and sisters in Christ; they encourage me and build me up.
- ✓ I realize that my regular attendance is an encouragement to, and an example for, others, also.
- ✓ I need to hear the Word taught and preached, for it makes me a better person.

No, attending the services of the church regularly is not all there is to faithfulness, but it does make a powerful statement.

See you at services!
