For as often as you
eat this bread and
drink the cup,
you proclaim
the Lord's death
until he comes.
(I Corinthians 11:26)

Person to Person . . .

Tom Miller

COULD IT BE TRUE?

The light turned yellow just in front of the driver. He did the right thing, stopping at the crosswalk, even though He could have beaten the red light by accelerating through the intersection.

The tailgating woman was furious and honked her horn, screaming in frustration, as she missed her chance to get through the intersection, and dropped her makeup and cell phone.

While the woman was still in mid-rant, she heard a tap at her window, and looking up she saw the face of a very serious police officer. The officer ordered her to exit the car with her hands up. He took her to the police station, where she was searched, finger-printed, photographed, and placed in a holding cell.

After a couple of hours, a policeman approached the cell and opened the door. She was escorted back to the booking desk where the arresting officer was waiting with her personal effects.

The police officer said, "I'm very sorry for this mistake. You see, I pulled up behind your car while you were blowing your horn, flipping off the guy in front of you, and cussing a blue streak at him. I noticed the "What would Jesus Do?" bumper sticker, the "Choose Life" license plate holder, the "Follow Me to Sunday School" bumper sticker, and the chrome-plated Christian fish emblem on the trunk, so naturally I assumed you had stolen the car."

This humorous story from an old McConnelsville, Ohio church bulletin reminds us that people are watching and reaching conclusions based on how we behave. So, be careful!
