As the deer pants
for streams of water,
so my soul
pants for you,
my God.

Psalm 42:1

Person to Person . . .

Tom Miller

I WAS IMPRESSED

I was in the waiting room waiting to see the chiropractor, and I noticed a man leaving the office.

He was a smallish man with snow white hair. Very distinguished looking.

But it was what he was carrying that really caught my attention. A Bible. In fact, it was a rather large Bible.

Now why would a man take his Bible to his appointment with a chiropractor? I can't answer that. Maybe he was reading it while waiting for his appointment, or maybe he was receiving some kind of therapy that would allow him to read it during the process.

My point is simple. Here was a man unashamed to be seen carrying his Bible. Obviously it was important to him.

How about us? Do we proudly and unashamedly carry our Bible with us? Would we take it to a doctor's appointment. Would we read it during our lunch break at work?

Also, do we read it regularly at home? Is it important to us? Do our families see us with an open Bible before us?

Remember: **“All Scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work”** (2 Tim. 3:16-17).
