came
not to
be served but
to serve,
and to
give his life

COMING IN OCTOBER

During the month of October, our elders will be leading us in a consideration of additional elders and/or deacons.

The Sunday morning Adult Bible Class for October will deal with a careful study of the qualifications given in 1 Timothy 3:1-13 and Titus 1:5-11. Please read these passages carefully and plan to be present each Sunday morning for the discussion of them.

The sermons for the month will also focus on the matter of church organization. The sermons will be as follows:

- October 7—What Is an Elder?
- October 14—What Is a Deacon?
- October 21—What Is a Preacher?
- October 28—Questions and Answers

The Question & Answer session of Sunday morning, October 28, is designed to deal with questions that may not have been discussed in either the Bible Class or in other Sunday morning sermons.

It is important for us to have a good understanding of the qualifications and work of elders and deacons before names are submitted for consideration. Our elders will lead us in this process, but they do want to hear from the members of the congregation. By the first Sunday in November, forms will be made available for you to suggest the names of those you believe are qualified to serve as elders and/or deacons at Seymour.

Please keep this important process in your prayers!
