Person to Person . . .

SOMETHING TO THINK ABOUT

What's the difference . . .

Between the atheist who supports no church and the member who will not support the one to which he belongs?

Between the skeptic who does not believe the Bible and the negligent Christian who never reads it?

Between the man of the world and a person in the church who lives like a man of the world?

Between those who do not believe in Bible classes and those who never attend them?

Between those who do not believe it is necessary to repent and be baptized for the remission of sins (Acts 2:38) and the accountable person who will not do it?
