A special sermon is planned for next Sunday entitled “**Guard Your Eyes.**” It will deal with the growing problem of pornography. Due to the nature of the material to be presented, a class will be conducted in the multi-purpose room for those 8th grade and under. That class will meet only during the sermon, so the children will be part of the rest of the service. This is a sermon no preacher looks forward to presenting, but a discussion in a recent elders and deacons meeting agreed that it was important. My goal will be to present a balanced, helpful, biblical study of the issue. If you, as a parent, feel that your child/children need to hear this, though they may be in the 8th grade and under group, we will leave that decision with you.
