SERMON PLANS FOR 2017

In a recent Elders and Deacons meeting, we talked about my sermon plans for next year. I always want to make sure that the sermons I present are what is needed by the congregation at a particular time.

The following suggestions were made.

- Great Bible Doctrines
- Character Studies
- Sermons on Evangelism
- An Overview of the Bible
- Misunderstood and Misapplied Verses
- Sermons on New Beginnings
- Word Studies

I have already begun thinking and planning how and when I can work some of these in. So, don't be surprised when some of these appear in a pulpit near you in 2017.

But, we want to give everyone an opportunity to have input, too. If any of these, or other topics or series, sound good to you, just let me know.

I do ask that your suggestions be given to me in some kind of written form. Simple write a note and hand it to me or send me an email with your suggestions. My email address is tom@seymourcoc.org.
