GIVE ME A “T”

Give me a T! “**T**” Give me an E! “**E**” Give me an A! “**A**”
Give me an M! “**M**” What do you have? “**TEAM**”

Remember that cheer? Most of us have heard it hundreds of times at ball games. Coaches preach the concept of team and rightfully so. Eleven people playing as a team on the football field, or five people playing as a team on a baseball court, can usually beat opponents playing as individuals—even when those opponents may have superior talent. Why? Because teamwork pays.

Businesses stress the importance of teamwork to their employees. They want all their people to work together, respect and support one another, and strive to reach the goals of the business. Why? Because teamwork pays.

Teamwork in the church is just as important as it is anywhere else, if we are to succeed. And, it is scriptural. Doubt it? Consider the following.

“For as the body is one and has many members, but all the members of that one body, being many, are one body, so also is Christ . . . Now you are the body of Christ and members individually” (1 Cor. 12:27). “From whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love” (Eph. 4:16).

O.K, fellow members at Seymour, give me a “**T**”!
