### **A WONDERFUL EXAMPLE**

I know I am getting more sentimental as I grow older, but the following note brought a tear to my eye.

Dear Elders,

I've been trying this new thing called "adulting". With that, I have gotten my first check book. \*GASP\* My mother gave me the wonderful idea of making my first check special. She said, "Give to someone or something that has made a difference in your life." I know it might not be a lot, but I know every penny will be used well, no matter how big or small. I am so incredibly thankful for my time in the "SOAR" youth group. Keep investing in these kids. It'll change lives. It changed mine.

Much love, Erin Thomas

What a great example from a wonderful young Christian woman. Now you know why the note affected me as it did.

I have always heard that our check book and our appointment book tell a great deal about us. One tells how we spend our money and the other tells how we spend our time. Erin's check book says that she values the church and its work.

This is a 5th Sunday, and our contribution today is earmarked for our "General Fund." Due to some unplanned expenses, we have seen a decrease in that fund.

Will you help by giving a little more than usual today? Thank you in advance for your generosity. And Erin, thank you for your wonderful example.
