I AM BLESSED

Writing to his son in the faith, Paul penned these words, **"When I call to remembrance the genuine faith that is in you, which dwelt first in your grandmother Lois and your mother Eunice, and I am persuaded is in you also"** (2 Tim. 1:5).

Timothy was indeed a blessed son. He had been trained properly by his mother and grandmother. Later in 2 Timothy 3:15, Paul would add, **"And that from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus."**

I, too, am a blessed son. I fondly remember my mother Betty and my grandmother Alice and the wonderful influence they had on me. They loved me, cared for me, taught me, disciplined me, prayed for me, and encouraged me. I, like Timothy, have been taught the Holy Scriptures from childhood.

Any son or daughter is truly blessed who has had such positive influences in his/her life. Many of you reading these words can say, "I am also blessed," and you can recall the special women in your life who have meant to much to you.

If those women are still living, use this Mother's Day to thank them in some special way. If they have passed on to their reward, honor their memory today and always.

One way to honor those who have blessed your life is to bless the lives of others. Pass it on!
