## QUESTIONS FOR CONSIDERATION

We often talk about what others are doing or not doing. If we look hard enough, we can find someone doing less than we are. I guess in some warped way that makes us feel better.

The Bible, however, says this is not a wise thing to do. **“For we dare not class ourselves or compare ourselves with those who commend ourselves. But they, measuring themselves by themselves, and comparing themselves among themselves, are not wise”** (2 Cor. 10:12).

What we all need to do is look at the man/woman in the mirror. Sometime ago, I came upon a **“Membership Checkup”** and have kept it. Here it is.

- ✓ How many would be at services, if others attended as often as I do?
- ✓ How many would be invited to services, if others invited only as many as I do?
- ✓ How many prayers would be offered for our church leaders, if others prayed for them only as much as I do?
- ✓ How much could the congregation here do, if every member gave only as generously as I do?
- ✓ What kind of church would this congregation be, if every member were just like me?

Something to think about! Don't you agree?
