Covid Protocol

Note: The following is put in the bulletin at the request of our elders. Please read it carefully.

As the elders of this congregation, we are concerned about the spike in Covid cases and the deaths of many people, including several that we know personally. We want you to know tht we are prayerfully monitoring the situation and will do the things we believe best.

At this time, we will not introduce any new Covid protocol. We will continue to be open for all services.

For those who feel safer wearing masks, we acknowledge and respect that as your right and your decision.

We do encourage people to be fully vaccinated, but we also recognize that as a person's right to decide for his/her self and his/her family. We do, however, caution that the right to make a decision also carries with it any consequences involved.

Above all, we want to please God and keep our brothers and sisters as safe as possible. Please pray for us, as we continue to navigate these difficult times, and please pray for, respect, and love one another.

In Christian Love,

Rusty, Brian and John
